St Ives v Ivybridge

Saturday 8th March 2014

KO 2:30 p.m.

at

St Ives Recreation Ground

Welcome to the home of St Ives (SW) RFC. Today's weather forecast promises a calm and pleasant afternoon, where we hope to see some good rugby. It is the turn of Ivybridge to visit and we hope they entertain us as high flying league leaders in this Tribute Western Counties West clash. The Hakes will be determined to improve on their outing at Ivybridge earlier in the season when they fell short by 27pts to 11pts.

Ivybridge have a short history, forms as late as 1975. One can remember the Nomads playing against them a short tour with the reserves to Bristol. Some will even remember Chris 'Bish' Care's famous 'air' kick which left him A over T in the mud! But Ivybridge have progressed considerably since those early days. The original club facilities were former HMS Raleigh huts. Lottery and other funding saw a new clubhouse built in 1998. It currently has an impressive three senior teams, colts, juniors and minis with regular fixtures. A huge win against Penryn last week is their only league match since 25th January, but with games in hand they head up the league and will be aiming to consolidate their position today.

St Ives narrowly missed out last week at Devonport and will be equally determined to give a good account today. With the two teams immediately above expecting to do well today, the young squad will want to produce a really competitive display that demonstrates their ability within this league.

Our match official today is Andy Robinson and we wish him well in his part to make this an excellent game of rugby. Join us for Scotland v France after the match over a pint in the clubhouse.

ST IVES RFC v BUDE RFC

St Ives RFC contested the return to the field of play of the Bude prop during the period of his sin bin in the St Ives v Bude Tribute W C W League match held at St Ives RFC on Saturday 15th February 2014. Bude RFC felt that the past involvement of Mr Denis Preece with St Ives RFC could lead to a possible conflict of interests. Therefore, the appeal was referred to Mr Terry O'Brien, a fellow member of the South West Organising Committee. Mr O'Brien's Judgement is set out below:

1. As Bude were able to replace a front row forward on the first occasion it was required, there has been no breach of regulations 13.5.10 (a) and therefore regulation 13.5.12 does not apply.
2. As the front row player on the 2nd occasion was subject to a temporary suspension, there can be no question to take any further action under regulation 13.5 14.
3. While the referee's decision, to allow the suspended player to return before the period of suspension was over, was not correct, his decision is regarded as final and cannot be reversed.

The appeal is rejected and the result stands. For more information see Phil Allen.
