St Ives Recreation Ground

Welcome to the first game of rugby here at Alexandra Road at the beginning of a new season. We hope your afternoon with us, whether player, club member or spectator, is thoroughly enjoyable. Both teams will be working hard for the right start to a new league campaign in the Tribute Western Counties West League.

St Ives has predictably lost several players from last year's squad. Ben Taylor continues as captain amongst familiar names on duty today. We wish all the players well.

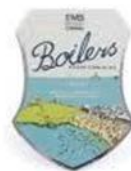

As the current league table stands Devonport will be well pleased with top spot, while St Ives are mid table. However, this is because no matches have been completed and clubs are in alphabetical order. Last season Devonport finished in 8th place, while St Ives fought off relegation to land 12th position. St Ives managed a 50% success rate at home, while Devonport accrued 4 away wins out of a possible 13.

New opponents to look out for this season are: from South West 1 West: Wadebridge (7 wins and 35pts.) and Sidmouth (2 wins and a draw for 10pts). From Devon & Cornwall are Exeter University, scoring over 1000pts on the way to becoming champions and Tiverton (22 wins), runners up, the only other club to stick close to Exeter in that league.

We extend a warm welcome to Mr Darryl Curnow, today's match official.
