St Ives v Sidmouth

Saturday 1st October 2016

KO 3:00 p.m.

at

St Ives Recreation Ground

We extend a warm welcome to Sidmouth this afternoon in this the fifth round of the Tribute Western Counties West league programme. The officers and committee trust that the match will be enjoyable and entertaining for players and spectators alike.

St Ives has had an 'almost' start to the season with three losing bonus points. After the painfully narrow loss by one point against league leaders Exeter University in their last home outing, today must be seen as the opportunity to move up the table.

Sidmouth lie just above The Hakes with a try bonus win against struggling Bude and a losing bonus against Truro. Two years ago, when the sides last met here, the score was a 39:39 draw, the home side shipping four tries in the last ten minutes to the astonishment of the supporters. Today is another day and a different set of players, with only three survivors from that match; Taylor, Prisk and Chandler.

We are aware that referees, like players, are in short supply across the county. We appreciate the time they give to the game and extend a welcome to today's match official, Mr Simon Lord of CRRS.

Finally, we hope that you will support your club and enjoy a beverage in the clubhouse after the match.
