St Ives v Crediton

Saturday 7th April 2018

KO 3:00 p.m.

at

St Ives Recreation Ground

A warm welcome to all in this, the penultimate Western Counties West league fixture here at Alexandra Road. Our Devonian visitors today are Crediton, who boast a proud history of rugby in the town since 1878. We wish their players, officials and supporters a very pleasant afternoon and safe, trouble free travel.

St Ives takes the field today as champions of the league, which is an historic achievement since the club has never managed this since the league system began back in 1987. The head coaches, Paul Thirlby & Rob Elloway, the players & committee and club members will all be delighted at the progress the Hakes have made. Moving into the SW1W will be our highest level of rugby since season 2010-11. Congratulations are richly deserved. For the moment, the challenges of level 6 rugby can wait.

This afternoon is one of celebration. The Hakes will be hoping to entertain and forge a victory similar to the win at Crediton (14:28) in early December. However, you can be sure that our visitors will be out to avenge a heavy defeat (52:10) here last April.

In the Cornwall Cup semi-final last Saturday the Hakes squeezed out a nail biting victory over St Austell (24:25). The final, against Wadebridge Camels, is possibly on Saturday 28th April. The chance of a double is on. Watch out for date and venue confirmation.

Our referee for today is XXXX and we ask that full respect is afforded him. Opinions can be shared, but without any form of abuse.
