St Ives Hakes v Coney Hill

Saturday 5th January 2019

KO 2:30p.m.

at

St Ives Recreation Ground

Welcome to this the first week of the Tribute South West 1 West league. 2019. We appreciate the distance travelled by our visitors today; Coney Hill from Gloucestershire. This will be their longest trip of the season.

Both sides have lost their most recent fixtures. The Hakes will be hoping for a return to form and field a strong side for today after the Christmas and New Year break. Coney Hill is experience a difficult time in the history of the club, one that is all too common in the league era.

Coney Hill RFC was officially formed in 1947 by old soldiers returning from Dunkirk to their homes. Today they run three senior and one colt's sides. Their recent history is one of mixed fortunes: relegated from this league in 2013-14, they bounced back as champions of Western Counties North, only to face relegation in 2015-16. Two years later and they are back to SW1W, champions of WCN.

Research finds that the teams last met in the 2007-08 season in SW1W. St Ives was 12th and Coney Hill 9th. (Both teams have to reach level 6 for them to meet). The "Yellow Hammers" were defeated 27:6 on September 8th 2007, but this was to be St Ives' lone victory in a difficult season.

Today we hope the supporters and spectators are given an entertaining game. Please show respect for our match official, unfortunately unknown at time of printing. We also hope that you will drop in to the club house after (or before) the match for a chat and some refreshment.

Player news:

The pack has a few changes. Ben Jenkins returns to the front row for his first appearance since the beginning of December. Jon Lamsin and Aden Brassington get a home start after travelling to Teignmouth just before Christmas. Jamie Hoskin plays his first match since November 17th against Thornbury. Sam Carter makes his first start of the season at scrum half. The rest of the back line has a familiar look. Thirty two players have been used in the squad this season.
