St Ives v Hornets

Saturday 6th April 2019

KO 3:00p.m.

at

St Ives Recreation Ground

The St Ives (SW) RFC committee would like to wish you all a very warm welcome to the final home match of the season in the Tribute South West 1 West league. We trust that our visitors from Somerset will enjoy their time at our club and in our town, reckoned to be their first since the leagues began in 1987. Hornets were formed in 1962.

At the outset of the decade Hornets were champions of Somerset Premier. Two years later saw back to back promotions from Western Counties North and then this league. Four years in the South West Premier followed before a return to this league this season. Since time spent in SW1W has not coincided with St Ives, no league fixtures are recorded.

The match at Weston, in December, brought a very pleasing win for St Ives. Overall, Hornets have a 50% away win record, which is superior to that of St Ives. With ten victories at home, however, the Hakes will hope to prosper, consolidating their current position in the league. Hornets have amassed thirteen try bonus points, one better than St Ives, so this could be a very entertaining game for spectators and players alike.

This is our last sponsor's day at the club and we invite all to join the celebrations; buffet, hog roast, awards and evening entertainment with Jack Kessell and Sandy Acre 7. See committee for late tickets.

Our match official today is Jason Pengilly (CRRS). We trust you will afford him due respect. We are grateful to all our officials for the time and effort they give.

Tribute Cornwall Cup Final Redruth RFC

St Ives v Wadebridge Camels

Friday 19th April 2019 KO 3:30pm

This is the 50th anniversary of the first time St Ives won the cup when they defeated Penryn 6-3, the second year of its running. Today some of those who played in that game are guests at the pre match buffet. They are warmly welcomed and fondly remembered. The captain on that day was David Gee, who is in our thoughts and prayers at this time.

Appearances in recent seasons (not including today)

It takes a lot of players to field a team each week. Many play just a handful of games for the club. Few remain over the years. The table below reflects those who have gained a considerable number of appearances in the last four seasons. Congratulations, particularly to those with over 100!
