# St Ives v Imperial Medics

Good Friday 29<sup>th</sup> March 2013

KO 2:30 p.m.

at

## St Ives Recreation Ground

The Imperial Medics are no strangers to St. Ives. The club was formed by the merger of Charing Cross and Westminster Hospitals in 1984, following the advent of leagues in rugby union. In 1997 they were strengthened further when joined with St Mary's Hospital, whose fortunes were declining, but who had been a source of many internationals.

Imperial Medics have enjoyed considerable success in the oldest competition for such institutions, namely, The United Hospital Cup. All three hospitals were originally formed in the 1800s and have a rich history.

Easter tours were a highlight of seasons in days gone by. St. Thomas' were always the fixture the day after St. Mary's. This weekend we have only the Medics to grace our patch. We welcome them and hope for an entertaining encounter, before the medics taste the town's hospitality.

I am sure all of you are by now aware that St. Ives secured promotion last weekend with another bonus point win, although Falmouth proved to be sturdy opposition. Tiverton, our nearest rivals, are too far behind to catch up. Well done to all the squad, players, coaches and managers.

Congratulations and huge thanks to all who made the reunion such a success. Many very positive comments were exchanged and abiding memories shared. This should encourage the purchase of tickets for the next two events; "Last of the Summer Wine" and the annual club dinner & dance. More details are to be found on the back page.

Finally, we extend a warm welcome to our referee, Mr Jonathan Billing and thank him for giving up his time in order to officiate.

### Some previous results against Imperial Medics

These proved a little difficult to find for the most recent seasons, but please allow some more '125' indulgence after research at St Ives Archive uncovered several:

1 <sup>st</sup> Apr '02	W 19-17	Tries: B Warner, L Stevens, A. Keverne
29 <sup>th</sup> Apr '00	W 24-17	
5 <sup>th</sup> Apr '99	L 26-37	Tries: D Mann (3), M Ward and PG B Peters

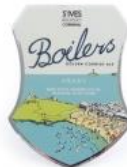

### The following matches were against St Mary's Hospital:

1 <sup>st</sup> Apr '91	W 30-0	Joff Rowe scored 2 tries
Easter '87	D 10-10	Joff Rowe scored 1 try
23 <sup>rd</sup> Apr '74	W 26-16	T: M Gee, J, Trevorrow, C Hendy, J Cocking
30 <sup>th</sup> Mar '64	L 0-32	Centre: S Perkin, Prop: E Symons
23 <sup>rd</sup> Apr '62	L 0-3	Full back: T Farrell, Flanker: D Stevens

Perhaps the most celebrated international player from St Mary's Hospital is JPR Williams. Too young to remember? Google him.
