St Ives v North Petherton

Saturday 16th February 2019

KO 2:30p.m.

at

St Ives Recreation Ground

With less than a third of the season to go, St Ives play host to Somerset club North Petherton in the 20th round of the Tribute South West 1 West League. The weather is likely to be calm, facilitating the possibility of an open and entertaining game.

Our guests today are rare visitors to the town. Internet records show that season 2011-12 was the only time the clubs met; in the Western Counties West. St Ives were relegated losing heavily both home and away, while NP were champions and have remained in this league ever since.

Like many of our Somerset and Devon opponents, NP boast three, senior sides and a ladies team. Their seconds are currently third in Somerset One. The town is situated just south of junction 24 on the M5 corridor. Although the population is less than 7,000, the proximity of Bridgwater and Taunton, with over 100,000 allows for a sustainable player base.

After several good wins St Ives will be disappointed to get just a losing bonus at Newent last week, allowing them to usurp St Ives in the league, albeit on points difference. Meanwhile, NP come with two wins under their belts in the league and a passage to the Webb Ellis Somerset Cup final courtesy of a defeat of Hornets by 41:22 (Feb. 2nd).

Our referee for today is Kevin Williams. Please afford our officials due respect for their willingness to do a difficult job. Finally, we hope you join us either before, during or after the match (or both) for food, a beverage and 'a bit of social', celebrating our skipper's ten years a Hake!

Thanks: The club & committee would like to publicly thank **the club bar steward, Afton**, for opening up the club house for The Six Nations Rugby Championship. Last Sunday afternoon chilli & garlic bread accompanied England devouring 'Le Coqs'. With no league game, Wales v England on Saturday 23rd February, promises to be another great occasion at the club.

Meanwhile... Ben Taylor, Ben Jenkins, Jamie Prisk and Tom Nicholas were part of the St Ives team that would have played in the 2011-12 season when they met North Petherton. Add the defeat at NP last October and they will spearhead efforts to reverse this trend.
