St Ives Recreation Ground

Good afternoon everyone and welcome to the final league match of the year here at The Recreation Ground. We give a special welcome to our servicemen from Devonport, and take the opportunity to thank our armed forces for all the good work they do.

Today, this match must be the top match in Cornwall, outside the national leagues and certainly the top fixture in The Western Counties West league today.

The match at Devonport on a hot and sunny September day was a close affair, our visitors holding out for a 29:23 victory. Since then they have been the most consistent side in the league. After a loss in their opening game, at Bude, they have since lost only once, at home to Torquay in October.

St Ives recent run of form came to an abrupt end last week at Crediton, when they fell short after six wins in seven games. They have gained maximum points at home, unbeaten since the beginning of October.

The curtain raiser for our league fixture today is a youth match between St Ives and Redruth U10s. Training for the juniors recommences on Wednesday 4th January 2017. Full details can be found on their Facebook page.

Our referee for today is Richard Conybeare. We trust he has a successful and enjoyable afternoon. Finally, we wish you all a merry Christmas and a happy New Year. Join us in the clubhouse after the match for a drink.
