St Ives v OPM

St Ives Recreation Ground

Rugby at The Recreation Ground has been rare in recent weeks, so it is with great delight and anticipation that we welcome you, the spectators to today's fixture. Without your support we would have no club. Old Plymothians & Mannamedians are no strangers to St Ives. The name comes from two rival colleges that merged in 1896. The clubs have met in the leagues in previous seasons. In our first away match on September 8th The Hakes won 17-3 in a tightly contested match. Today's game promises to be equally hard fought and we warmly welcome OPM to our ground.

Thanks to St Ives MoT Centre, the ball sponsors for the match. We also welcome the referee, Mr Al Denham and trust he enjoys the game.

Congratulations and good wishes go to Kyle Moyle who has signed a contract for the Cornish Pirates. In his short time here he has shown immense ability and scored 22 tries in 12 appearances. We also celebrate the selection of three young players to the Exeter Chiefs Academy. They are to play against Bath and Saracens over the next couple of weekends. Congratulations and best wishes to Todd Prisk and Tyler Gendall from the colts and Max Bodilly, a regular at scrum half for the 1stXV before being injured.

Next Saturday we host Hayle in the rearranged derby match. In the evening stand up comedian Kernow King (www.kernowking.co.uk) will be performing at the club. Tickets are available at a cost of £8.00 from Ayr Holiday Park, tel. 795855. Please support this event.
