# St Ives v Tavistock

Saturday 21<sup>st</sup> September 2013

KO 3:00 p.m.

at

St Ives Recreation Ground

Welcome to all spectators, members, players and officials in this first home match in the Western Counties West League. Today's opponents are Tavistock, who lie in mid table after an away win against Paignton Saxons and a bonus point at home to Penryn. When St Ives were relegated from this league in 2011-12, Tavistock were promoted into it after topping the Tribute Cornwall & Devon league. Last year they finished in 11<sup>th</sup> place, finishing their season with an away win against Exeter Saracens.

St. Ives have had a tough start to the season with two difficult away fixtures. Firstly, Penryn, with a strong set of backs, won 36-15. They should do well this year. Last Saturday St Ives had another away game when the RFU Appointments Committee for the Western Counties West Division managed to fixture the two furthest sides apart against each other on one of the busiest travel weekends of the year. Having left St Ives at 09:30 the team coach pulled into Exeter services at 12:30. When they finally arrived at Burnham-on-Sea they were not in the best of shape and were defeated 37 : 12. St Ives will be eager to earn some points today. We look forward to a good game of rugby.

Most of you will know that there are changes to the coaching team this season. Rob Elloway is now Head Coach with Tom Riley is his second in command. Both are first team players with the Pirates. They have taken over from Joff Rowe who is still involved with the Club in a sponsorship capacity and who will, no doubt, still have a lot of positive comments to make as the season progresses.

Finally we are grateful to today's match referee, Mr Andy Reynolds.

Next Saturday St Ives are on the road again, away to tough opponents, Teignmouth. This game marks the end of a difficult start to the season and the coaching staff are hoping that the young squad will have settled in and learned quickly in the much more challenging environment of this league.

St Ives RFC is well known for the amount of brothers who have played at the club; Corin, Gee, Hendy, Rowe, Stevens. I am sure you will come up with many more. Of interest along this theme, in the game against Burnham-on-Sea, St Ives took to the field with *three* sets of brothers: Neil & Graham Corin, Jamie & Todd Prisk and Josh & Jamie Semmens, an unusual statistic to say the least!

International Ticket Application information for the 2014 RBS 6 Nations is now available on the Clubhouse notice board. Applications, with FULL payment, must be with Phil no later than Saturday 5th October. Phil will be around on that day to take applications as St Ives are at home to Torquay Athletic.

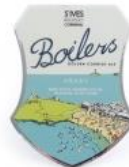

The Club also thanks **Scott & Kerry Quick** for their work in running, cleaning and re-furbishing the club and lounge areas during the summer months. Scott & Kerry hand over the running of the club to our new club steward, Dale and we wish her and her family well in this venture.

Thanks to Phil Allen for his help with today's programme.

**Rob Elloway** has played over 150 times for Pirates, making his debut against Leicester Tigers in 2007. Born in Germany in November 1983, his playing position is hooker. He stands at 6' and 16 st. Some of you will have observed his joy at beating Bristol in Exeter, courtesy of Sky Sports last week.
