St Ives Hakes v Cullompton

Saturday 1st September 2016

KO 3:00p.m.

at

St Ives Recreation Ground

Welcome to The Recreation Ground, the home of St Ives Rugby Football Club, both visitors and supporters, old and new. After the historic success of last season, the promoted Hakes face a tougher fixture list in this, the Tribute South West 1 West league.

Today, to begin the new campaign, our visitors are Cullompton, just as they were in September 2016, when St Ives was newly promoted to the Western Counties West league. On that day our visitors won by 12-23. Only four of that side will be appearing today. They were promoted as runners up that same year and finished 9th in SW1W last season, with three away wins. They will be keen to improve on their end of season form when they lost the last five matches. Launceston provided the lone Cornish opposition, where they were narrowly defeated 14-12. A hard baked pitch has disrupted their pre-season match preparation.

St Ives had an encouraging pre-season performance against Camborne, losing 7-12, whilst a win over Penryn highlighted areas for development. New coaches and new players arrive in a new league for a new challenge. Eight Hakes will play today that were not in the side that lost two years ago.

Today our match official is Brian Perry from Somerset. We are aware of the shortage of referees and appreciate his commitment to the game and readiness to travel. We hope he has an enjoyable afternoon.

We trust you will drop into the clubhouse after the match for a chat and a pint and perhaps arrange how you will get to Devonport for the first away match next Saturday.

Player News

As one might expect at the start of a new season, the first team squad has a number of changes, which will be publicised in the near future. At the moment, only two figure in today's team sheet:

Jack Kessell had a brief spell at the club in the 2013-14 season, during which time he was selected for Cornwall U.20s. He returned to Redruth and played about 25 times for their first team.

James Wilson, $\frac{3}{4}$, joins from Helston. He is a LAET at Culdrose and has represented HMS Seahawk.

Grateful Thanks

A great deal of work has been done behind the scenes during the close season, which has helped generate income and set up the club and ground for the start of the new season. The club acknowledges with grateful thanks all those who have helped in any way. A hard working team is required off the field in order to put one on it.
