We extend a warm welcome to Sidmouth this afternoon in this the fifth round of the Tribute Western Counties West league programme. The officers and committee trust that the match will be enjoyable and entertaining for players and spectators alike. It has been a long wait since the last home match against Wadebridge.

A year ago Sidmouth were 11th and St Ives 13th in this league. Our visitors opened the season with a highly encouraging win at St Austell. Two close defeats at the hands of Tiverton and Paignton have hurt them since.

St Ives have bounced back from the St Austell defeat with away wins at Paignton and Kingsbridge. With this being today's only league fixture, a good win would see St Ives climb back up the table.

Today's squad for St Ives includes nine from the corresponding match last year, while Sidmouth bring fourteen new names in their selection. Supporters can look out for new signings Rob Elloway (joint head coach), John Lamsin, the returning Cameron Bone and Tony Stevens (bench).

Referees are a valuable commodity. We are grateful to James Miliner (CRRS) for given up his time to officiate today.

Do stay for a while in the clubhouse after the match for some liquid refreshment and a chance to catch up with old friends.
