Welcome to Alexandra Road for this latest round in the Tribute Devon & Cornwall Western Counties West League. Many of you will be here for the reunion buffet before the match. Players and officials are very pleased that you have made the effort and hope you enjoy the occasion. No doubt it will stir up anecdotes from the past, where each try was scored from further out, that tackle was an even bigger hit and nostalgia proves once again that times were better 'in my day'!

Our opponents today are Wellington. Only three players from last year's 16:14 defeat survive, but there are only three changes from last week's squad that beat Tavistock. The table on the back page shows that both teams are finding it tough this season, but all their points have come in the last three matches. Wellington has kept large defeats to a minimum, although they have no away wins. St Ives will want to concentrate on their encouraging performance at home to Tavistock, knowing that a win today could take them off the bottom.

Today's official is Andy Reynolds (CRRS). We trust he also has a successful game and an enjoyable experience here at The Rec.

The club is always indebted to sponsors, whether financial or through the skills they can offer in kind. Perhaps you might consider how you can help your club at this time. Just chat to any of our officials. They tend to wear club ties and blazers.
