St Ives v Paignton

Saturday 12th September

KO 3:00p.m.

at

St Ives Recreation Ground

St Ives SW RFC extends a warm welcome to spectators, members and supporters, new and old. This is the second week of fixtures for the Tribute Cornwall & Devon league. Today we welcome our guests, Paignton, both players and officials. Last year they finished 5th in this league, so deserve plenty of respect even though they suffered heavy losses when the teams met in the Western Counties league in 2013-14.

St Ives began the season on -5pts and did themselves a great favour by gaining a try bonus away from home last week. Today, they will want to continue to show progress. Fitness, communication, handling and ball retention are all areas for improvement. Members are appreciative of the efforts being made by players and head coach, Paul Thirlby, throughout the pre-season. Thanks also to those who have worked so hard behind the scenes to maintain the club during the summer.

There were several debutants in last week's fixture, all of whom played their part. Today, the Hakes welcome Sam Bristow in the centre, with the return of Tom Nicholas to partner him. Ben Taylor also returns from injury to captain the side, while David Bramwell, who travelled last week, steps in for injured Sam Heath.

CRRS are stretched to the limit. We are grateful to all our match officials, especially today as Liam Reilly will be doing the colts game as well, and trust that he enjoys his afternoon here at The Rec.

Club News

Recovering

Junior & mini section president and long serving member of the club, **Brian Prisk**, is making progress at West Cornwall Hospital overcoming a bout of pneumonia. We wish him a full recovery and hope that he returns home to his family very soon.

Colts return

Today is significant in the life of the club. In recent years there has rarely been more than one fixture at home on match days. Today, the colts are the curtain raiser to the 1stXV game. It is their first in this season's Cornwall Colts league, against Wadebridge. We wish all the players and coaches, Ian Roberts and Jono Peck all the best.

New website launched

The club is very pleased to have a new website. Already it has proved a winner with the players. Please take a look and use it as your first point of contact for information about the club. As it develops it will have everything you need to know; league fixtures, results and table, match reports and previews, colts, mini and junior sections. There is also an archive section of programmes and match photos. The match report for last week includes a video of the excellent team try scored by Neil Corin, thanks to Director of Rugby and cameraman, Joff Rowe.

Be aware that the Pitchero website will soon become redundant. The new address is www.stivesswrfc.co.uk Alerts and social media are on our official Facebook page: StIves RugbyFootball. Ignore others.

New entrance to changing rooms

The Changing Rooms have had a makeover during the summer including the newly re-vamped entrance thanks to St Ives Windows, St Ives Signs & Paul Prisk.
