# St Ives SW v Tavistock

Saturday 24<sup>th</sup> October

KO 3:00p.m.

at

St Ives Recreation Ground

The players and committee of St Ives SW RFC are very happy that you are here to watch the latest match in the Tribute Cornwall & Devon league. Today St Ives faces very worthy opponents in the form of Tavistock. Our visitors encountered a difficult start to the season with fixtures against teams that are currently heading up the league. After today, they will have faced five of the top six. All, bar a pleasing defeat of Bude at home, will have been on the road.

Tavistock, like St Ives, were relegated from Western Counties West at the end of last season, one position above and with one win more. Honours were pretty even in the two games last season, St Ives winning comfortably at home, their first win from nine at the time.

This week's fixtures will likely leave the top three unchanged, unless there are surprises. St Ives will probably need a bonus point win to stay ahead of Falmouth. So the pressure is on after the disappointment in the last outing. After all the talk and training the performance on the field is what counts. However, St Ives needs points as much as performance. Can the Hakes deliver as a team?

Today's match official is Al Denham. We wish him well and trust he has your respect from the touch line and on the field of play. The club acknowledges also the effort being made to provide ball boys.

*Alan Thomas*
